Website:

www.JobMarketSolutions.com - Job Market Solutions has been writing job-winning packages since 2009. Today, owner and founder Mir Garvy directs a team of expert resume writers who have each been personally trained and mentored in Mir's specific style and methodology of resume writing. Our writers are certified by the Professional Association of Resume Writers and Career Coaches, have finely developed writing skills, bring many years of experience strategically tailoring resumes, and apply industry best practices for beating applicant tracking systems. In early 2020, Garvy launched a new website, GetResumeHelp.com, specifically for young professionals and recent graduates.

Job Market Solutions is based in Raleigh, NC and has virtual offices in the following cities.
